

# Brix

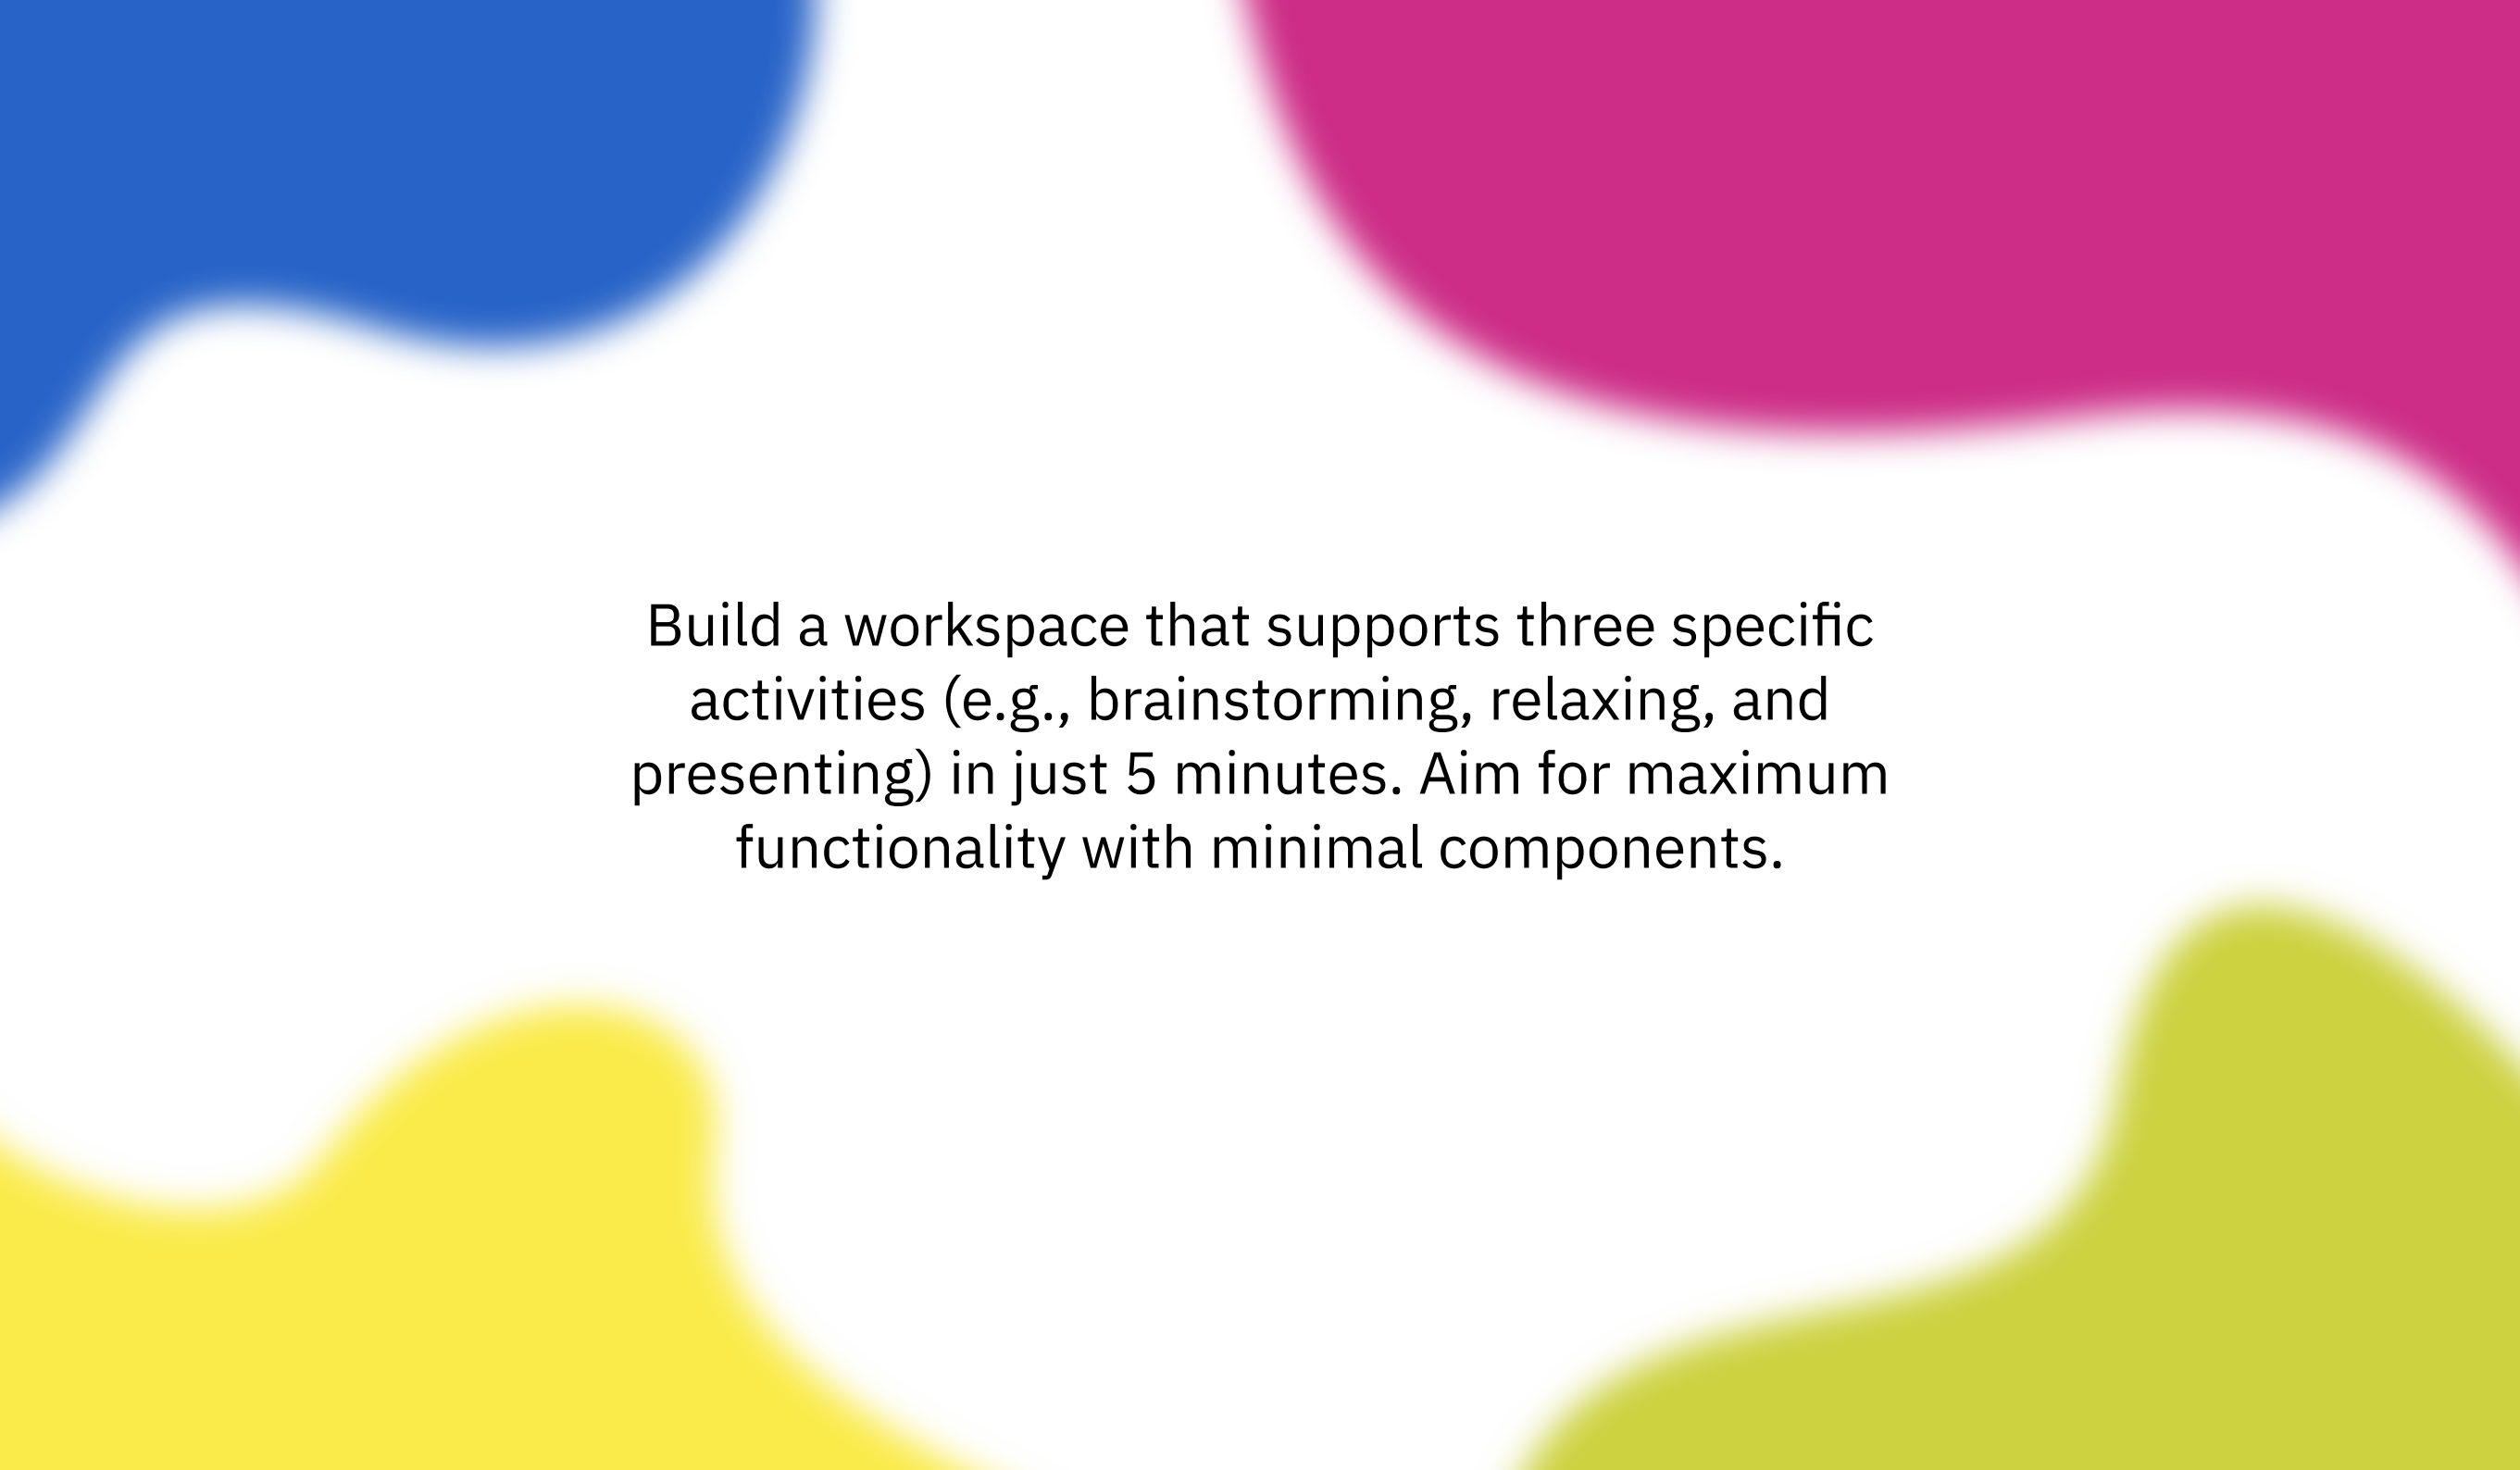

BUILD TOGETHER – CREATE TOGETHER!

The background features four large, overlapping, organic shapes in blue, pink, yellow, and green, creating a vibrant, abstract design.

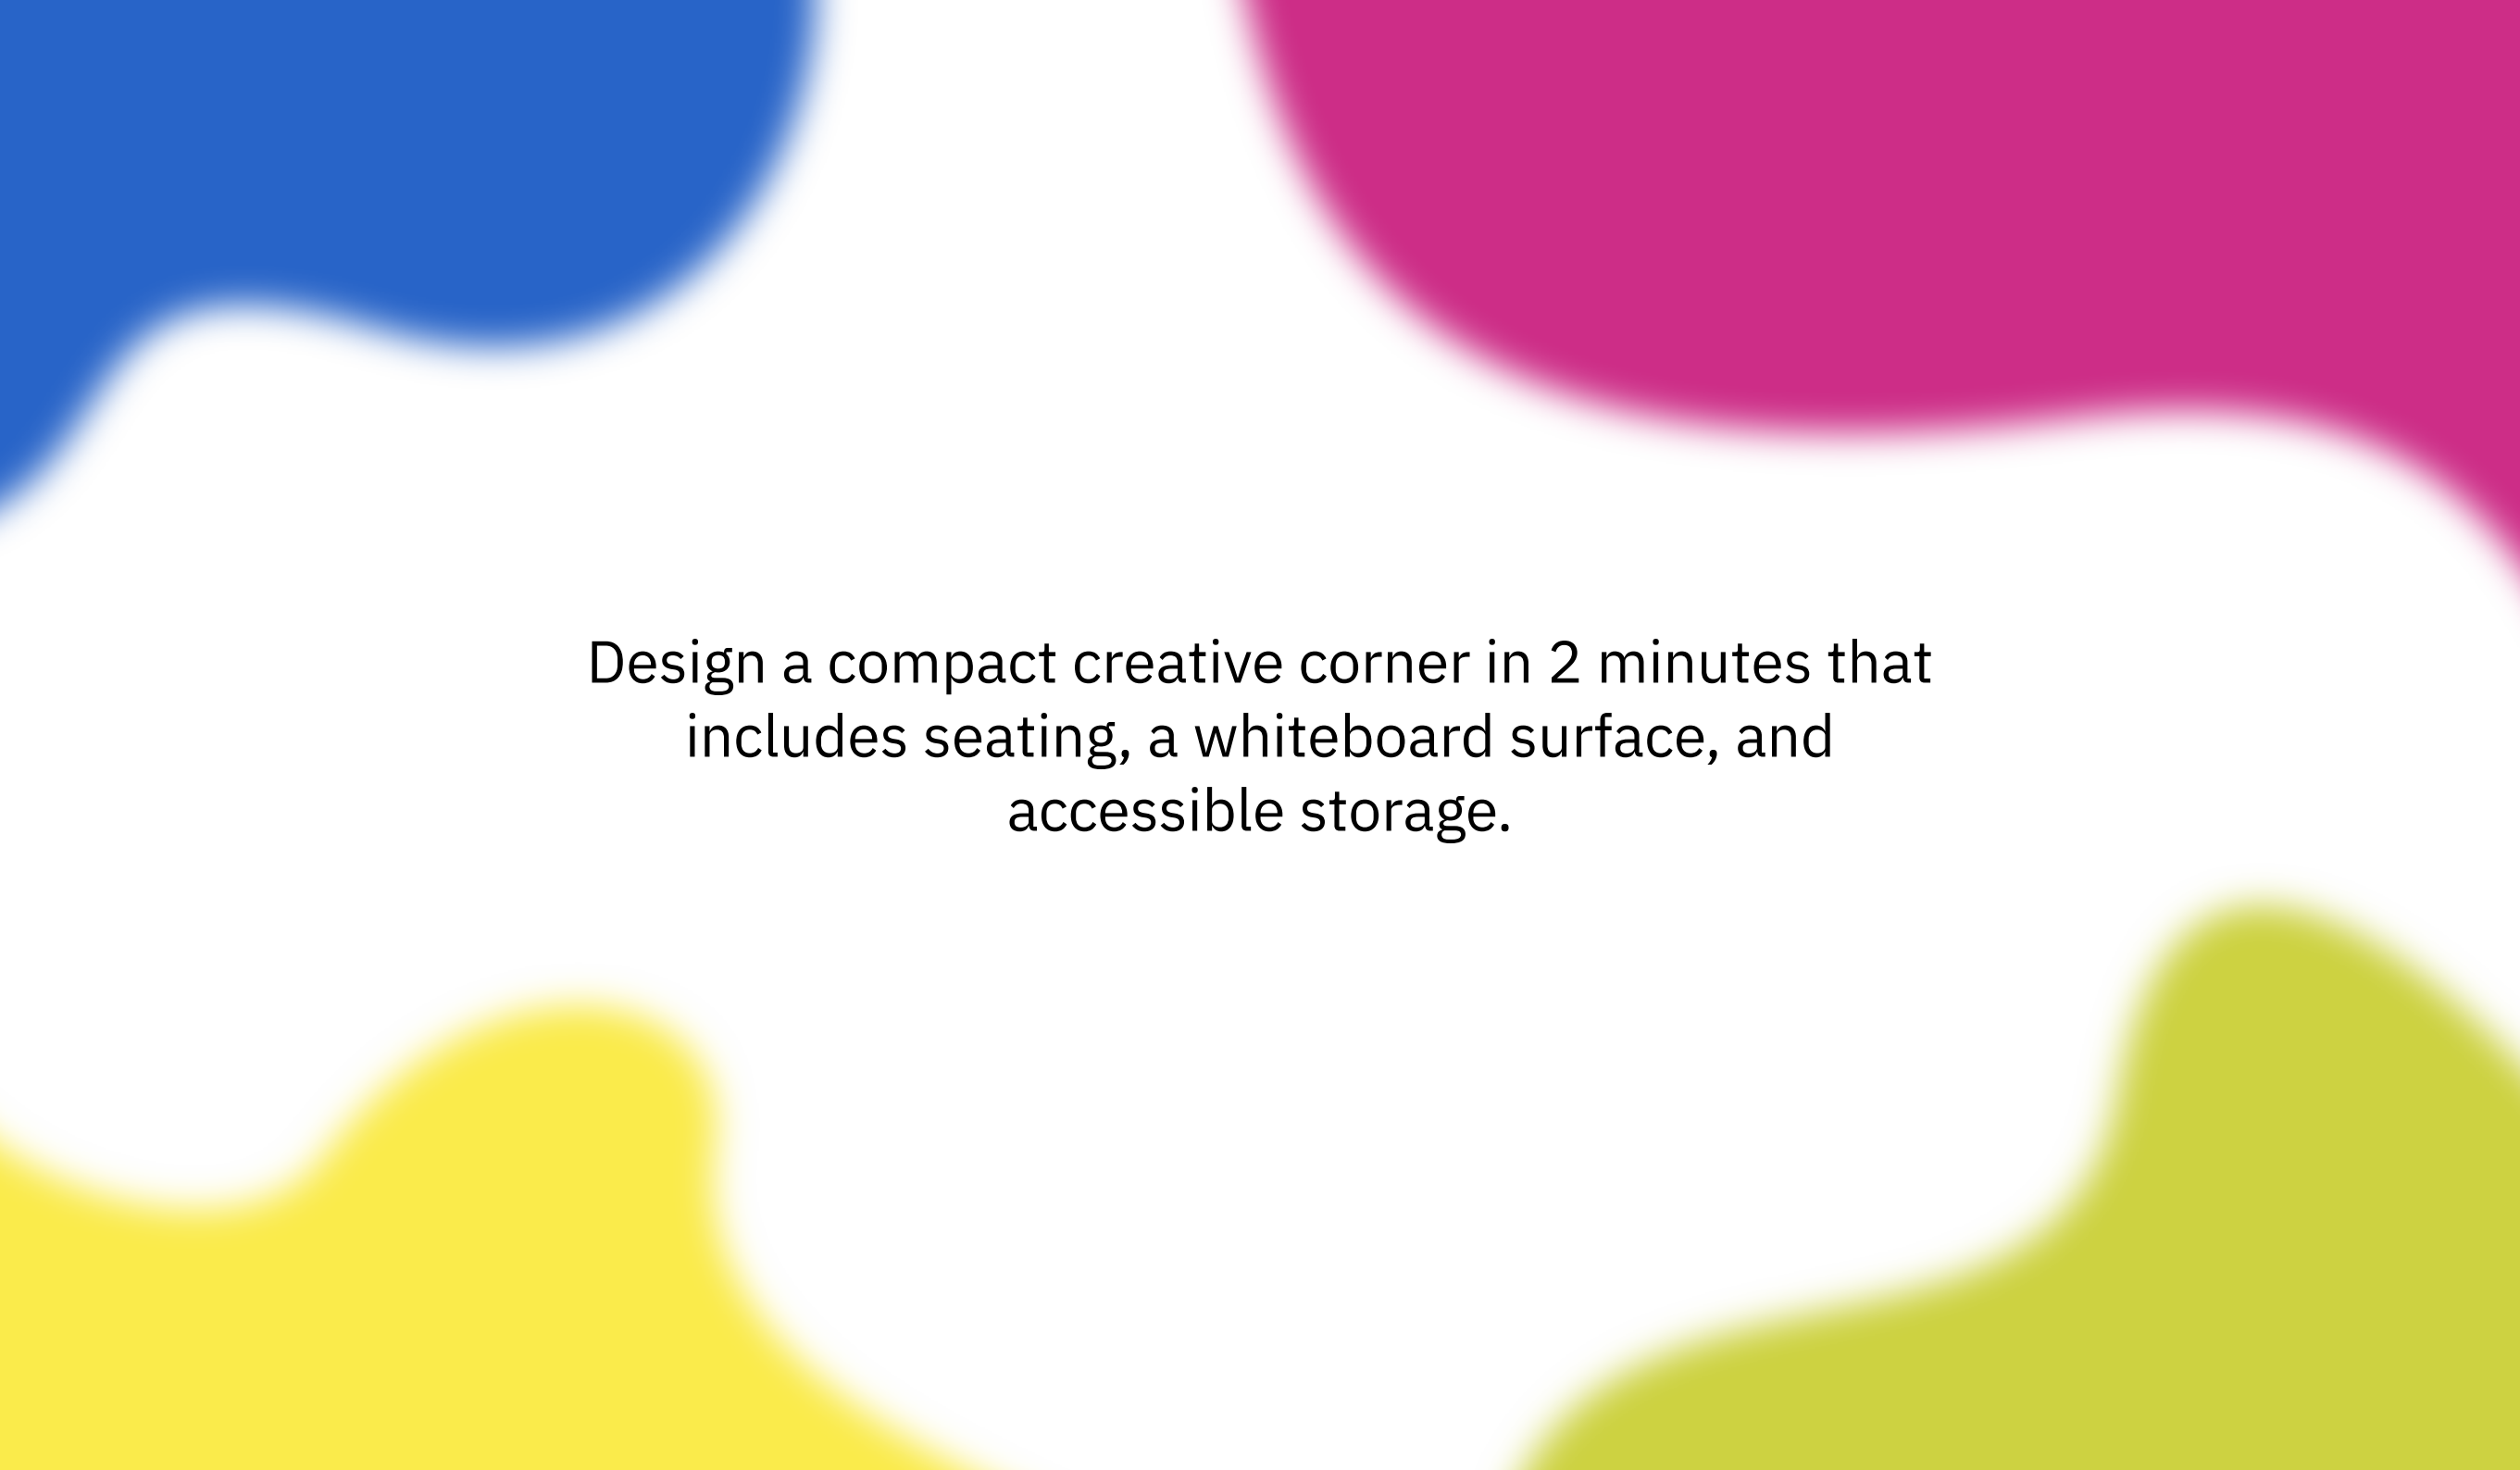

Try to compress the workspace environment into the smallest, most compact setup possible in 2 minutes.

The background features four large, overlapping, organic shapes in blue, pink, yellow, and green, creating a vibrant, abstract design.

Form small groups and race to build the tallest stable tower in under 3 minutes using only the crafting materials from your BRIX drawer. Once complete, compare your results and reflect on the strategies that worked best.

Build a workspace that supports three specific activities (e.g., brainstorming, relaxing, and presenting) in just 5 minutes. Aim for maximum functionality with minimal components.

Design a compact creative corner in 2 minutes that includes seating, a whiteboard surface, and accessible storage.
